Putting the movies back where they belong...

This edition of The Big Picture has been produced in partnership with Park Circus, who are committed to bringing classic films back to the big screen.

Have a perfect Valentine's Day by sharing a romantic movie with your loved one. Classics such as **Brief Encounter** and **Casablanca** are back in cinemas around the country and, as a special treat this year celebrating its 20th anniversary, the ultimate rom-com **Pretty Woman** is screening for one day only, 14 February, at Cineworld Cinemas nationwide.

The glamour continues as the magical, musical spectacular **Gentlemen Prefer Blondes** is being re-released from 26 February at BFI Southbank and selected cinemas.

More details of cinema screenings of these and other classic movies from the Park Circus catalogue can be accessed via: www.backincinemas.com
