# Guide to Journal Collections 2019

# Journal Collections

Intellect's journal collections enable you to subscribe to all the journals in your subject area at a considerable discount. In addition, you will receive online access to all back issues for each journal in the collection for as long as the current subscription year is maintained. Alternatively, you can design your own tailored collection.

## MIX & MATCH

A tailored collection allows you the flexibility and freedom to design your own package from our range of over 100 titles. To discuss a tailored journal collection or to request a quote, please contact Nicola Reisner at Intellect.

**E-mail:** [journalsubscriptions@intellectbooks.com](mailto:journalsubscriptions@intellectbooks.com) | **Tel:** + 44 (0) 117 958 9910

Tailored collections can be ordered directly through our distributors or via your usual subscriptions agent. To ensure your tailored collection is processed correctly, please ask your agent to ensure the following when ordering:

- If renewing a tailored collection, please check that the discount has been correctly applied to your invoice. Please note, discounts cannot be applied retrospectively
- Orders must be sent through to our distributors, Turpin, manually and not via FTP
- Please quote the relevant collection order code, e.g. 'COLLECTION 7–13'
- In order to qualify for the discount, please ensure that all titles in the collection are ordered at the same time
- All titles must be ordered on the same customer number
- Please provide a contact e-mail to receive notification of your customer number for activating subscriptions. New subscriptions will need to be activated by following instructions on the '[Information for librarians](#)' page of our website.

The discount structure for tailored collections is as follows:\*\*
